

LED 5 in 1 Dimmable Driver 200W Constant Voltage

Features

- Universal AC input voltage 100-277VAC
- Built-in active PFC function
- Protection: OCP, OVP, SCP, OTP
- 5 in 1 dimmable (0-10V, 1-10V, TRIAC, PWM, resistance)
- Typical lifetime > 50,000 hours
- IP65 Rated Enclosure for Indoor and Outdoor Use
- Wiring Compartments with Knock-Outs for Clean and Easy Installation

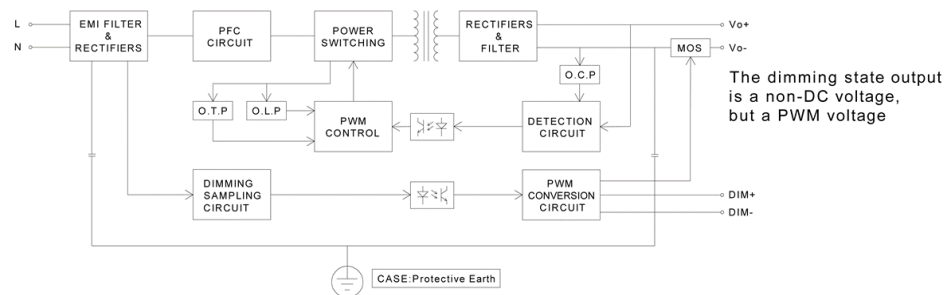

WARNING

This dimming power supply is only suitable for direct drive LEDs.

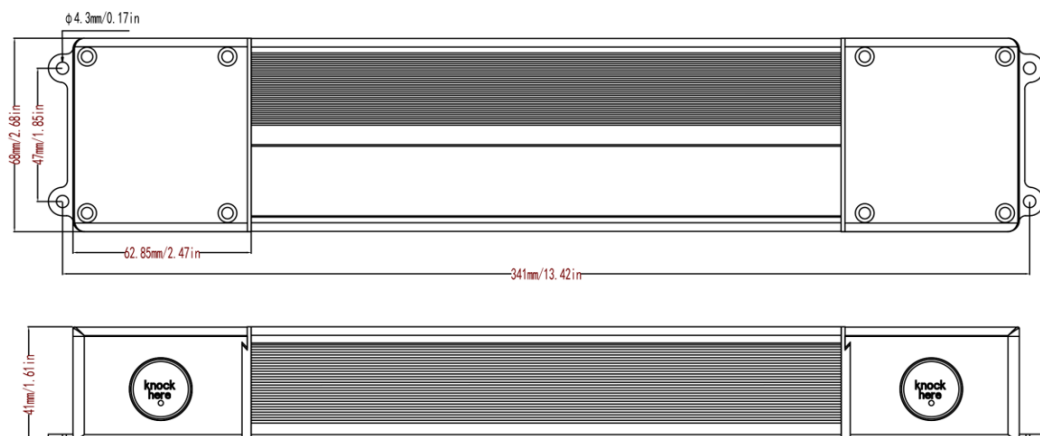

Order Code

Product Code	Input Voltage	Input Current	Frequency Range	Power Factor	Output Voltage	Output Current	Output Power	Hold Time
ET-200AW-24P	100~277VAC	1.74A 115VAC	47~63Hz	≥ 0.98	24VDC	8.33A	200W	10ms
