

## LED non- Dimmable Driver 320W Constant Voltage

### Features

- Universal AC input voltage 100-277VAC
- Built-in active PFC function
- Protection: OCP, OVP, SCP, OTP
- Typical lifetime > 50,000 hours
- IP65 Rated Enclosure for Indoor and Outdoor Use
- Wiring Compartments with Knock-Outs for Clean and Easy Installation

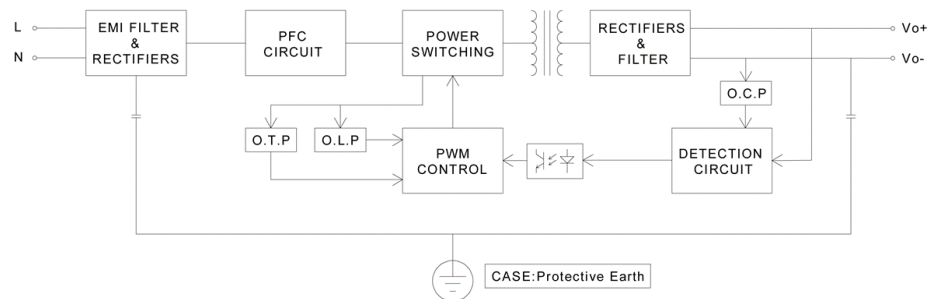

### WARNING

This dimming power supply is only suitable for direct drive LEDs.

### Order Code

Product Code	Input Voltage	Input Current	Frequency Range	Power Factor	Output Voltage	Output Current	Output Power	Hold Time
ET-320AW-24	100~277VAC	2.78A 115VAC	47~63Hz	≥ 0.98	24VDC	13.3A	320W	10ms
